Our New High School

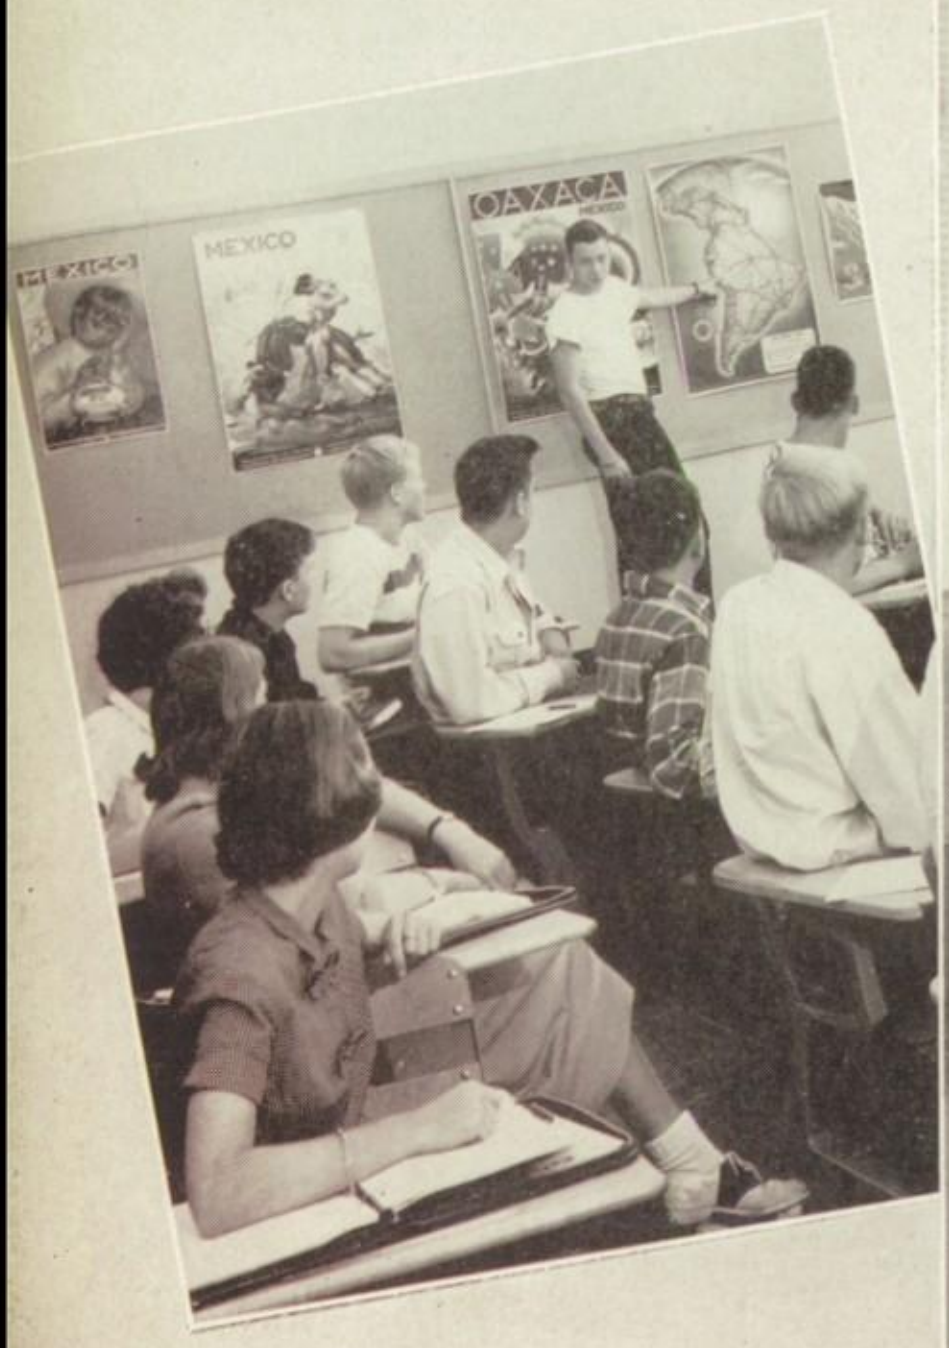
Although last September everyone was awed by the size of the new HTHS, it took only a few weeks for us to feel at home here. The seniors feel especially honored to be the first to graduate from the new building.

Almost every day someone has discovered something new which can be added to the school's list of modern facilities. As time goes on, the students appreciate more and more the time, money, and thought which went into making this the fine model school that it is.

Our gymnasium is a constant source of amazement for even after using it for a year we have not been able to accustom ourselves to its vastness.

Among the features which we have enjoyed are the bright classrooms, modern library, the Community Room, the beautiful cafeteria, science laboratories, music rooms, shops, and the home economics department.

Each HTHS student is truly grateful for the new building and we hope that future students will enjoy it even more as time goes on.



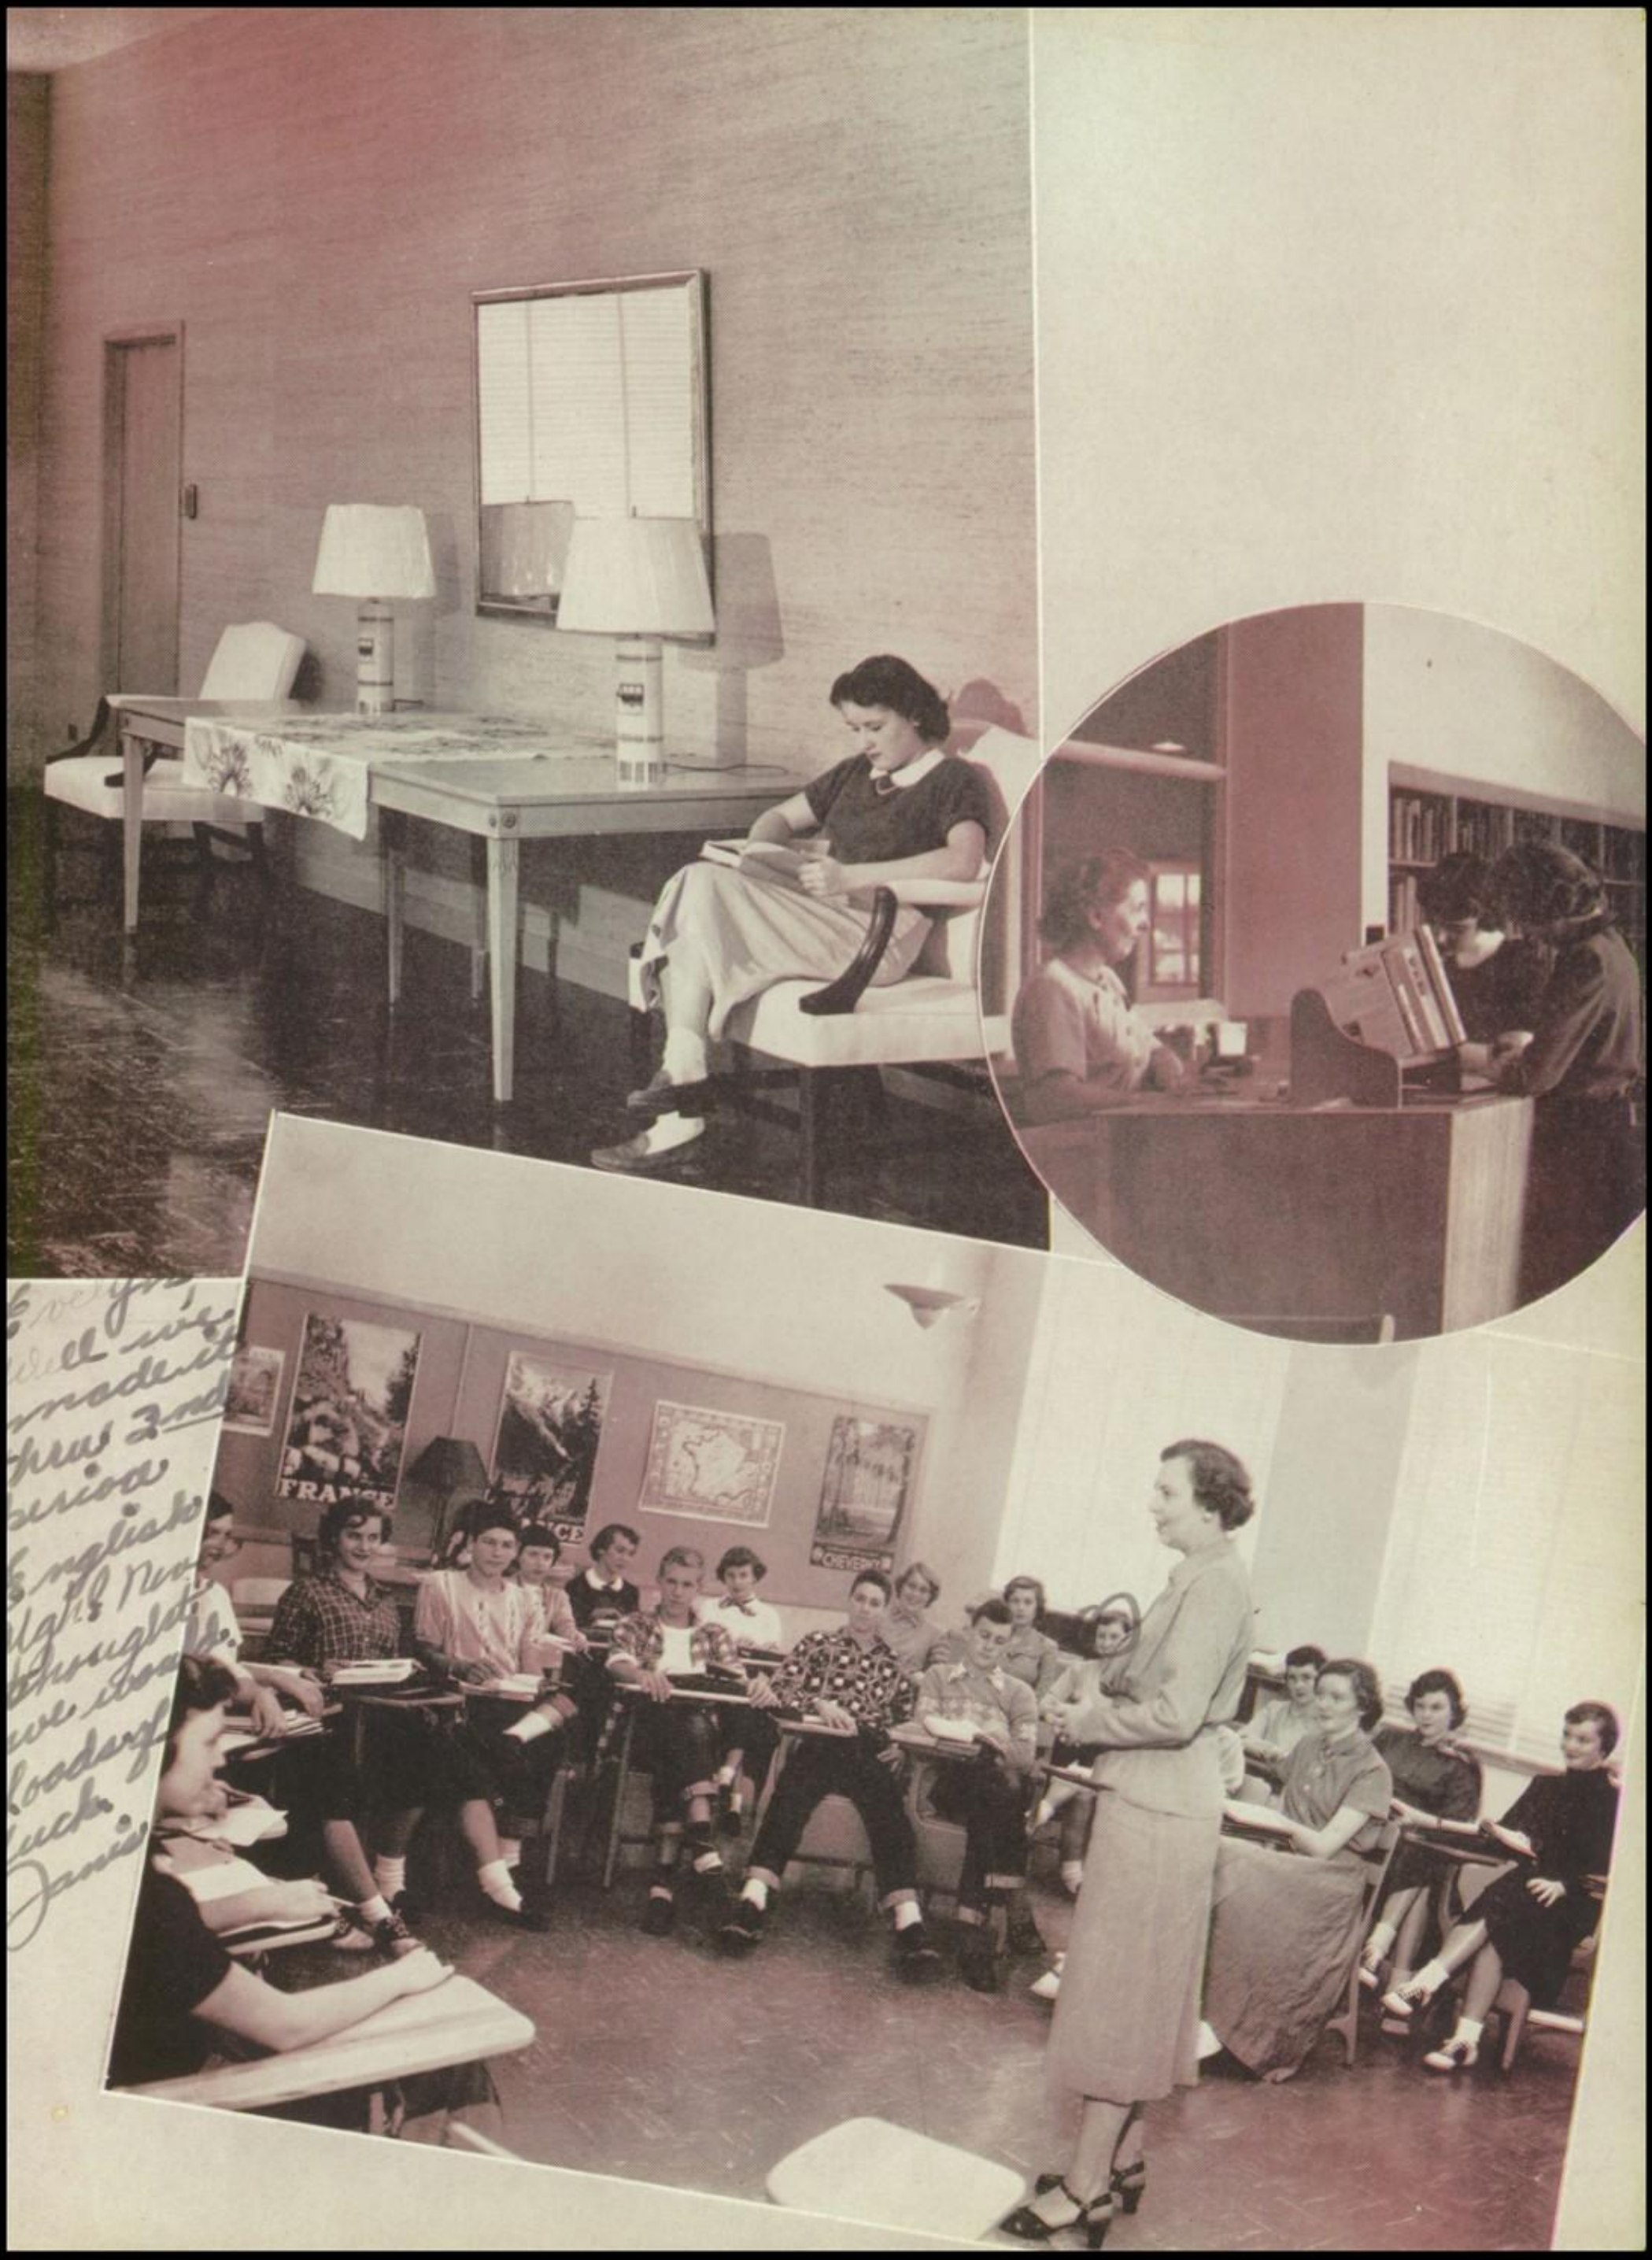
Let's Take A Walk Through The New Building

In the Spanish classroom, students are learning to speak a language which will help them to understand better our Central and South American neighbors.

We shall pause for a moment to relax in the beautiful Community Lounge which is available for faculty meetings, conferences, regular meetings of the Board of Education, and PTA Council meetings.

At the charge desk in the library, we find Miss Nelson assisting students in checking out books.

French, the language of Pasteur, Hugo, and Dumas is taught at HTHS by Miss Hadish. This most beautiful of languages is presented to the students both from the standpoint of grammar instruction and from the cultural standpoint to enable students to appreciate the customs, art, and lore of France.



FRANCE

HT Develops Both Brawn and Brains

One corner of the fine new gymnasium which will seat more than 4,000 spectators is typical of the huge plant where boys and girls are given instruction in health, body-building, and recreation pursuits.

Here students are taking advantage of the beautiful and quiet library.

At last, the girls have a gymnasium of their own where they may have a well-rounded program of physical education.

Up and Down The Corridors

Here, into the ovens, will go some mysterious, mouth-watering concoctions. In an adjoining room the girls learn sewing and other homemaking arts.

In biology class, Mr. Poppenhager intrigues the students with various mounted specimens of zoological life.

A monitor is at her post ready to be helpful to students and visitors who may wish to go through the building.

Secretly planning to repudiate Einstein's theories, these math students are taking their work seriously.

A close-up view of biological matter helps these struggling sophomores to comprehend the subject matter of the course which deals with life and the living plants and animals which surround us in our world.

The Seniors

Four short years ago the Class of 1951 entered HT's portals as timid freshmen. Now they are preparing to go out into the world to seek a place for themselves. Once again a class will don its caps and gowns and march down the aisle. But this is a special group, the first to be graduated from the new Hinsdale Township High School.

To guide their exuberance, the members of the class elected as officers: Bill Yort, president; Betty Beitzel, vice-president; Barbara Christy, secretary, and Don McManus, treasurer. Jim DeVos and Kathy Mackay served as co-social chairmen. Mr. James Fowler and Miss Thora Cole were class advisers.

Off to a flying start as a class of distinction when Don Craigmile fell into Monroe's fish pond, the Class of 1951 kept on with spectacular events. The innovation of bake sales to bolster the treasury was a great success as was the junior play, "Mother Was A Freshman." The class sponsored one of the finest proms ever to be given at Hinsdale. They contributed to the success of the Christmas Tourney by selling food.

WILLIAM ALEXANDER
Ever since "Pedro" ran the roller rink in the Community House, he has had the secret ambition to own his own. Most of his activities at HT have been musical. He has played in band and orchestra four years. Public Affairs Club 1; Band 1234; Orchestra 1234.

PRUDENCE AMODEA
Prudy is one of those fortunate girls with natural curls and a pretty smile. She moved to Hinsdale during her junior year and immediately became active in the girls' clubs and swung into the HT way. GAA 34; Pep Club 34; GR 34; Stenos 34; *El Diablo* 4.

Her spirit of cooperation and hard work have ben proven by the success of the GR teas which she helped plan and the Latin Banquet. GR 1234; GAA 1234; Pep Club 1234; Latin Club; Lost and Found Committee.

Sophomores

As the year draws to an end, the sophomores are looking back at a wonderful past as they begin to realize that in September they will no longer be underclassmen.

Filled with thrills and spills for the sophomores, the past year will be remembered because of the class party with its dancing, refreshments, and entertainment which featured both group and individual talent.

The reputation of the Class of Fifty-Three was in the hands of Tom Reynolds, president; Dale Busch, vice-president; Jane Christensen, secretary; Loren Scheer, treasurer; and Nancy Roak and Brice DeVos, social chairmen. Class advisers were Mr. Grant Mauk and Miss Jane Reimbold.

Biggest spill, perhaps, was the final football game of the season, in which our over-confident team was upset by Riverside-Brookfield, to give the Imps a tie for second place with Maine.

The sophomores as a whole have played a large part in the success of many school activities. All in all, it has been a fine year, and members of the class are looking forward to two more years of fun and accomplishment.

The Freshmen

This year's large freshman class has shown wonderful spirit from the first days of school. Initiation was fun after the freshmen got used to the idea, and they missed it when the week ended, but they didn't admit it!

The class has been ably guided by its officers: Bill Rudd, president; George Caruso, vice-president; Mary Seaton, secretary; Jim Lindon, treasurer; and Mary Harrington and Joe Blackman, social chairmen.

The class "shindig" was in January; the entertainment, food, and everything else were really wonderful. Everyone who attended the party had a wonderful time.

The boys have been very active in football and basketball, and the girls have found time to be quite active in the three girls' clubs, GR, GAA, and Pep Club. They also joined many other clubs and activities and were active and helpful in them. It looks as if the "Class of '54" will go far.

BOARD

T. Reynolds, R. Effinger, G. Harris, Mrs. Florence Gillette, J. West, F. Caruso, Miss Helen Hadish, R. Scheer, B. Rudd, B. Yort, P. Hayes.

Student Council is the backbone of all the extra-curricular activities in HTHS. Without it, the student body would not be the democratic organization that it is. The Board is composed of the four class presidents and the Student Council officers. This group presents plans to the General Assembly which is made up of a representative from each homeroom, and they in turn add suggestions and comment on the ideas of the Board.

In September, Council members sell used books and class emblems and sponsor an All School Mixer. Home Coming weekend is sponsored by this organization as well as Open House during the holidays. The Community Chest Drive, T-B Bangle Sale, March of Dimes, student social hours, Student Union, and honor cafeterias are more Council projects.

Through Student council all students are helped to understand our democratic principles and encouraged to increase their participation in all school affairs. Sponsors of the organization are Miss Helen Hadish and Mrs. Florence Gillette.

Here's to more of our gym classes and lovely gang showers.

Sarah

Pep Committee, headed by John DeVos and Fred Borsch, is a branch of the Student Council. This group plans the fine pep assemblies, pep rallies, and bonfires. In general, they promote wonderful school spirit in the classrooms as well as in the field of sports.

The Sportsmanship Committee, under the able direction of Pete Grumhaus and Janet Sommers, rates the other schools in our conference at our home football and basketball games. Downers Grove is head of the West Suburban Conference Sportsmanship Trophy Committee this year because they were the winners last year. A new rating plan is in effect now to improve sportsmanship in all the schools.

Sponsored by Miss Nellie Cline, the Lost and Found Committee collects and distributes to their rightful owners, in a business-like manner, the items which students leave around school.

Mary Stevens' Publicity Committee is responsible for the posters about Student Council activities. They publicize school events in the village and in the local newspaper. There is a limit to the number of signs which can be put up in the new building, but this committee has done an exceptional job all year.

The members of Leaders Club assist Miss Holle and Miss Ferris in gym classes. They also referee many games both in class and during GAA after-school sports.

GAA is the largest girls' club in school. The girls eagerly began the year with a bonfire and snake dance. The organization sponsors all girls' sports activities throughout the year and a GAA Dance. This year, "Deep Sea Dive," was their successful dance. The Christmas Caroling Party, Pop Square Hop, and assistance with the Three-In-One Dance kept them busy. The girls have had as their officers: Ann Doney, president; Harriet Schaepe, vice-president; Kathy Kackay, secretary; Janet Harrington, treasurer; Barbara Christy, social chairman, and Betsy Pridmore, publicity chairman. Sponsors were Miss Mabel Holle and Miss Louise Ferris.

GAA

This year GAA adopted a new plan for the organization of its many sports. The girls were divided into two groups, the "reds" and the "whites." Freshmen and juniors worked together in the red group and the sophomores and seniors made up the white group. At the close of each major sport, there were championship games between the best teams from each group. The winners of these championship games received points for its group toward the trophy which was awarded at the end of the year to the group with the most points. More competition resulted through this system, and the "reds" and the "whites" were both working hard for the trophy.

Y-Teens is a service organization whose purpose is to contribute to various charitable causes and to help make its members well-rounded citizens through activities such as the Big-Little Sister program which helps to orient the incoming freshmen girls to the HT routine. This project is climaxed with two freshmen teas for the girls and their mothers. Another part of this program is the beautiful candlelight induction service in one of the local churches.

GR contributes to the year's social calendar with its annual Christmas formal which is one of the best dances of the year. The group has sponsored breakfasts in the cafeteria mornings before school. As a final project, the annual Bazaar and Style Show is presented. Profits from this pay for several senior scholarships. 1950-1951 officers have been Mary Lee Bowman, president; Jane Miller, vice-president; Janet Bercher, secretary, and Ellen Rudd, treasurer. Sponsors were Miss Jane Reimbold and Miss Virginia Warne.

Pep Club

In carrying out its aims to promote spirit and sportsmanship, Pep Club is one of the busiest girls' clubs. Sponsoring the Homecoming dance, the Three in One dance with GR and GAA, selling food at all the football and basketball games, and giving a spring dance are some of this club's many activities. Anne McAndrews, a Pep Club member, was chosen Football Queen for the year.

You can't miss the cheering section of girls all dressed in white sweat shirts, levis, and red hats during the basketball games. This section of loyal fans are all Pep Club members.

Sponsor of this peppy group is Miss Gertrude Finnegan. Officers are: Marilyn Handke, president; Mary Agnes Merrick, vice-president; Nancy Roak, secretary; Peggy Dreeke, treasurer, and Gay Dehr, food chairman.

Library Assistants – Latin Club

Main function of the former Library Club is to assist the librarian, Miss Jean Nelson, in keeping the library running smoothly and efficiently. The workers card and file books, straighten the shelves and magazines, type out book cards, and write out overdue and reserve slips. Two of its projects are a Book Week Tea for the faculty and a Spring Dance for the students. The group has no officers but functions as a staff.

The Latin Club is an organization to which every Latin student belongs. Its chief purpose is to put on the Roman Banquet and to sponsor our participants in the State Latin Contest. Officers of the club are selected from the third year class. This year's officers have been Alan Holderness, president; David Meyers, vice-president; Peggy Pratt, secretary, and Beth Addoms, treasurer. The Latin Club Board includes all the third year class and one representative from each of the other classes. This is the fourth year of the organization, sponsored by Mrs. Ruth Osborne.

A tremendous help to Mr. Raymond McAllister are the boys in his Leadership Training Class. Boys who are outstanding in industrial arts are given the opportunity to help instruct underclassmen in industrial arts classes. They are valuable in the toolroom where they check tools and equipment in and out and keep the necessary records. The boys receive valuable experience for future positions in industry or for advanced engineering studies.

Officers have been Norman Vlk, president; Bob Przybyla, vice-president; Frank Pokornik, secretary, and Dan Amodeo, treasurer.

Science Club is a newly formed organization sponsored by Mr. Allen Baker. Officers are: Lee Smith, president; Bill Brown, vice-president; Don McManus, secretary-treasurer; Jack Trask, sergeant-at-arms.

The membership is not limited to the pupils taking science but includes those who are interested in science. Programs consist of movies, speakers, or discussion of scientific interests. Each member plans to undertake a project which may pertain to any field of science. The club is affiliated with the Junior Academy of Science of Illinois and Science Clubs of America.

The membership of this club is made up of all senior girls who are taking second year shorthand and secretarial typing. President is June McGregor; vice-president, Joan Veith; secretary-treasurer, Alice Walker; social chairmen, Margaret Asay and Hazel Moss. Mrs. Naomi Lindon is sponsor.

ADVANCED MATHEMATICS CLUB

Mr. Reino Takala, sponsor, plans the programs of the Advanced Mathematics Club according to the interests of the students. Each meeting has a few tricky puzzles and some "corny" jokes to delight the members. The members work with interesting mathematics instruments and learn many helpful short cuts. Officers of the club are: Warren Latvatalo, president; Lee Smith, vice-president, and Kathy Smith, secretary.

FROSH MATHEMATICS CLUB

The club for freshman mathematics students, sponsored by Mr. Reino Takala, is a large and active group. The officers are: Brad Arthur, president; Bill Gage, vice-president; and John McDougal and Joseph Vitt as members of the board to aid the officers. Programs are planned to include mathematical interests of the members. Puzzles, math short-cuts, the use of mathematical instruments such as the micrometer and vernier scales, and spring field work along mathematical lines are projects of the club.

Civil Air Patrol is a very educational organization, especially in current times, for it deals in drill, rifle practice, radio training, and the study of aeronautics, navigation, and engines. CAP is under the guidance of Coach D. Russell McCarthy and provides valuable experience for all its members.

All those who earn a letter in a varsity sport and pay the annual dues of twenty-five cents become members of the Red Devils' lettermen's club. Besides selling coffee and running the coat check room at the basketball games, H-Club sponsored the social hours after some of the basketball games. Officers have been: Ansel Glendenning, president; David Zink, secretary; Ken Dreusicke, treasurer, and Dan Swan, Bill Caruso, Ronnie Rhoades, Dave Zink, and Ken Dreusicke, steering committee.

Evelyn,

Spirit and *pep* are two words that describe the cheer leaders very well. They have served their purpose of stimulating loud cheering, and their worth in keeping the teams in high spirits is immeasurable. They also have been a great influence in keeping sportsmanship as it should be.

Pat Ranger has done an exceptional job as head cheer leader, and all of these peppy girls have helped greatly to make our team victorious.

Dear Evelyn,
Just think about
2 more days and
we will be out of
this horrible place.
I'm glad we had

Spanish Club was organized and carried on under the direction of various committees among the advanced students. The club was formed to give second and third year Spanish students an opportunity to enjoy activities which cannot be handled in the regular routines of classroom work. The high light of the first semester was a Christmas party featuring a chewing gum lottery, the breaking of several beautiful Mexican pinatas, and the presentation of "A Night Before Christmas," a skit by the third-year students. Mrs. Florence Gillette was Spanish Club sponsor.

The Home Economics Club is sponsored by Mrs. Mary Anderson. The only officer is Corinne Nast. Main purpose of the club is to instruct the members in textile painting, knitting, making Christmas candy, sewing for pre-school children, and similar activities. The group meets each Tuesday during the activity period.

Chorus classes, under the direction of Miss Ina Mae Sanders, have proven themselves to be outstanding this year. Although they could not give the Christmas Pageant this year, they did a fine job with a Christmas assembly with the help of speech students.

The A Cappella Choir is a group of eighty students from the morning chorus classes. They presented several programs for local clubs and churches before Christmas. In February they gave a concert. Other activities have included a radio broadcast, the May Festival, and spring programs.

Girls' Chorus and Music Club

Miss Sanders organized a girls' chorus this year as another means of adding musical activity for the students.

Sponsored by Miss Ina Mae Sanders, the Music Club has for its officers: Grant Harris, president; Marilyn Stuwe, vice-president, and Lynn Williams, secretary. The members aim to improve their poise while performing. The group meets every other week to present a short program of six performers and a chairman. After the program, the members give constructive criticism of the presentations. Other activities have been the appearance of guest soloists to assist with the programs, trips to the opera, and a Christmas party.

Music Library and Boys' Glee Club

With the enlarged music department, a music library has been added to the joy of the instructor and students alike. Here are filed records, scores, and all the essentials for an active student group interested in good music. Ellen Rudd, Roger Redding, and Grant Harris are pictured in the library.

The following students are members of the Boys' Glee Club: L. Carlson, B. Rudd, D. Pyle, D. Low, G. Gustafson, H. Jahnke, J. Yurgil, F. Vacek, R. Kaufman, A. Wehrmeister, H. Kazalla, S. Church, A. All members of the group intend to repeat their championship status this year. Hinsdale has been represented by these members in solo and ensemble groups. The orchestra in past years has played for class plays, operettas, the Christmas Pageant, and assemblies in addition to presenting a public concert series each year. Mr. G. Austin Kuhns directs the Orchestra. The officers are: Bob Rediehs, president; Fred Deng, vice-president, and Barbara Brown, secretary-treasurer.

1950 was a moderately good season for the Devils with a record of three wins against three losses in the conference games. In addition, the team registered two wins and one defeat against non-conference teams.

In the opening games, Hinsdale got off to a good start by defeating East Aurora 12-6 and Dundee 19-6. The following games brought two defeats for the Devils when they dropped one to LaGrange 39-0 and lost to Downers Grove. Catching their second wind, the team squeezed past Glenbard 13-12 and then went on to drop to Taft of Chicago 14-0 and Maine 27-13. With a burst of power the Devils finished the season by rolling over York 38-14 and Riverside-Brookfield 40-20.

Among the outstanding players were: Ken Dreusicke, Don Smola, Donald Craigmile, Dave Zink, Albert Yort, Al Maca, Jim DeVos, Dan Swan, Don Vena, Bob Frank, Ken Kavana, and Earl Theidel. Coaches directing the Devils were: Russell Poppenhager, Harvey Dickinson, Neil Carter, and Walter Sherman.

The Frosh-Soph Imps made a record comparable to the Devils with five wins and four losses.

In the opener, under East Aurora's lights, the Imps drew a blank 0-19 but came back to crush Dundee 18-0. After losing to a strong La Grange team 21-0, the Imps defeated Downers 18-12 and whitewashed Glenbard 38-0. The following game against Joliet was a defeat 19-14. Again making a comeback, Hinsdale licked Maine 20-14 and York 20-0. In the closing game at Riverside the Imps dropped a well fought game 20-12.

Just a few of the leading players were: Richard Kay, Jerry Winter, Frank Stanicek, Bruce McManus, and Bill Morrow. Coaches were Mr. Clare Riessen, Mr. Larry Hoff, and Mr. D. R. McCarthy.

Row 3—Mr. Harvey Dickinson, D. Walker, L. Heppes, R. Effinger, T. Skubich, E. Shoan, G. Moyers, T. Stalker, Mr. Lawrence Hoff.

Under the leadership of Coach Larry Hoff, the Hinsdale Red Devils played a moderately successful season as far as the conference games went, but the scrappy ball handlers began to come into the limelight when they took third place in the Hinsdale Christmas Holiday Tournament. John Blackman, Jim DeVos, Ken Dreusicke, Ansel Glendenning, Bill Hamilton, Ken Kavana, Dick Miller, and Ron Spamer were the sparks of the squad.

From the beginning it did not look as if 1950-51 would be the most successful basketball season in HT history, but the "Upset Kings," who also soon became known as the "Miracle Kids" and the "Cinderella Team," through school spirit, determination, and providence, defeated Reavis to take on LT in the Regional Tournament and went on to defeat the Morton Mustangs to emerge as Regional Tournament Champs.

In the Sectional Tourney, Hinsdale downed Marmion of Aurora and nosed out the sharp-shooting Bradley team 44-43 in an exciting game which gave the Devils their first sectional tourney championship in modern times.

A sharp-shooting Quincy team spelled the end of the road for HT's championship hopes in the final game of the first round of the 1951 state tourney with a score of 58-46. Hinsdale's defense was rated "tops" in the state by several sports writers, and the student body is resolved that the championship spirit shall continue at HT.

The Imps won the first bout in conference play with an over-all record of four wins against seven losses. Besides the conference teams, the Frosh-Soph squad played several non-conference games. In league play, the team won five and lost five games. Their over-all record for both conference and non-conference games was seven games won to nine lost. During the second half of the schedule the team showed much improvement.

Pictured above, in the last two rows, are the freshman team who won nine games and lost only one. Several members of this group were advanced to the Frosh-Soph team.

Starting for the Imps were such well-known players as Bill Morrow, Frank Stanicek, Bruce McManus, Jack Hayes, Brice DeVos, Fred Bresnahan, and Joe Bosworth. Coach Neil Carter helped spur the boys on to spirited ball handling.

The baseball squad was guided by Coach Walter Sherman. Many new but experienced men came out to complement the returning veterans. The usual schedule of 12 games was played.

BOB ULRICH:
Hinsdale's State Sprint Champion

One of the best dash men ever to be developed in the State of Illinois is senior, Bob Ulrich, who won both the 100 yard dash and the 220 yard dash in the State Meet as a sophomore by beating Leonard Sykes of Wendell Phillips of Chicago. His time of :21.7 in the 220 was the best time in the state that year. His winning time in the State 100 yard dash was :10.1 on a heavy track, although he had previously run a :09.9. As a result of Bob's achievements, the Hinsdale Track team placed third in the State Meet in 1949, behind La Grange and Oak Park respectively. As a freshman, Bob qualified for the State in both dashes but he did not place in either event.

Bob was successful during his junior year in defending his 220 yard dash title by nosing out Jim Golliday of Wendell Phillips and Jim Caffey of La Grange. His time of :21.1 was only one-tenth of a second off the state record and the best of the year in the state. In the 100 yard dash, Bob pushed the winner, Jim Golliday, to a new state record in a blanket finish. The time of :09.6 broke the record of :09.7 held by Buddy Young of Wendell Phillips set in 1943 and Randall Herman of Oak Park set in 1932. Ulrich had already tied this time in four previous races. Our high school track team placed seventh in the State Meet in 1950.

Bob holds the 50 yard dash indoor record of :05.4 at both the Naperville and Oak Park tracks. He is a member of the 880 yard relay team that holds the school record of 1:31.8 established by placing third in the state finals of 1949.

Bob has made the name of Hinsdale Township High School prominent among students of all high schools in the State that participate in track and field sports.
